

:: Company Profile ::

SANDOZ METALS (INDIA) was established in 1980 and is now prepared itself to meet the new challenges of 21st Century with its modern manufacturing techniques and dedicated customer service. Within a short period, we have acquired sufficient expertise and sophistication in the field of **manufacturing and exporting of Stainless Steel/Carbon Steel Flanges, Investment Casting and Pipe Fittings and Fasteners such as bolts, nuts, screws, washers and threaded bars etc.** Besides, we are associated with leading **manufacturers of Stainless Steel Pipes and bright bars** for promoting their overseas business. Our philosophy of business is to **Deliver products on time with best services.**

We have gained vast experience from our sister concerns, which are engaged in the manufacturing and sales of above products in the indigenous market. Our indigenous customer list includes big industrial houses in public and private sector such as **petroleum industries, petrochemical plants, fertilizer plants, cement industries, sugar plants, research organization, heavy electrical industries, automobile and other allied industries.**

Our quality control department consists of highly qualified and dedicated engineers, who are well trained to meet international quality standards of our products. Quality Control process includes Visual Inspection, D.P. Test, Hydraulic Test, Hardness Test, Ultrasonic Tests etc. Moreover, we can export our products under the inspection of any Third Party Inspection Agency, which is internationally acceptable.

SANDOZ METALS INDIA has a wide customer network all over the world. We have established a firm foot overseas by exporting above products to Middle East Countries, Singapore and a couple of African Countries etc. Using its well-equipped modern manufacturing methods and well-trained marketing personnel SANDOZ METALS INDIA is expanding its business network to other countries of the globe also.

In conclusion, we would like to mention here that, we are well equipped technically and commercially to render our services to you. If you provide us an opportunity to serve your esteemed organization with your valued enquiries/orders, we will convert you to our long lasting customer.
